## Education

### Savannah College of Art and Design

BFA | User Experience Design  
Expected Graduation: Spring 2022

## Experience

### Longwood Gardens

Host | April 2018 - now

My responsibilities include hosting, cashiering, and general food prepping for thousands of guests per day.

### Kencor Elevators

Internship | May 2018 - July 2018

My task was to develop a new **website** where they could sell used elevator parts. I also gathered data on these parts and inputted them into a spreadsheet.

## Volunteering

### Savannah Film Festival

October 2018

I worked concessions with a group of other volunteers.

## Skills

### Tools:

Adobe Suite(Photoshop, Illustrator, XD, After Effects, InDesign), Maya, Cinema4D, Blender, InVision

### Programming:

HTML/CSS, Java(Processing),  
JavaScript(React, P5.js, Node, ES6, Webpack),  
Ruby, Git

### Personal Skills

User Research/Strategy, Human-centered Design, Collaboration, Detail-Oriented, Prototyping

## Achievements

### SCAD Fluxathon | Runner-up

Fall 2018

A team of three people including myself created an app called LiveWhale which strived to de-stigmatize mental health resources for students at universities.

### Deans List Honors | Fall 2018
